

U.S. Plans Dump Big Potato Crop

WASHINGTON, (AP)—United States agricultural department officials predicted that millions of bushels of frozen and rotten potatoes will be dumped under surplus disposal instructions during the next several weeks.

They will be part of the 1946 crop surplus of nearly 100,000 bushels.

Officials estimated the government's final loss on the surplus will amount to about \$60,000,000. The explanation is this:

Under wartime legislation, the agriculture department underwrote the 1946 crop of potatoes as well as other farm products. It assured farmers they would get at least 90 percent of parity—the theoretical price determined to be equally fair to producers and consumers.

Crop Tremendous

The trouble developed when the potato crop turned out to be the largest in history.

When this surplus became apparent, the government was left to carry out its legal obligation to store growing crops to at least 90 percent of parity.

To do this the department bought large quantities of potatoes and sold them to commercial firms—mostly in Canada—where they would have used some other commodity.

Then the department looked for other outlets for growing crops at the guaranteed prices. It decided to store the crop just to wait the price went up.

Sold Some Ahead

It didn't. And when the last-stored potatoes that heavy loss was made.

Agriculture Secretary Clinton P. Anderson said recently 20,000,000 bushels were sold at 90 percent of parity, and 6,000,000 bushels were sold at 80 percent of parity.

Anderson said the government was now holding 100,000,000 bushels of potatoes, and that it was now looking for other outlets for the crop.

Illinois U. Surprises 92,000 at Rose Bowl

NEW YORK, Jan. 2 (AP)—The football heights yesterday bowled the University of California at Los Angeles with a seven-touchdown orgy to route the favored Bruins 45-14 before 92,000 in the Rose Bowl at Pasadena, Calif., and provide the only upset in an otherwise happy New Year's Day for favorites in the annual bowl clashes.

The closest any other bowl of 1958 bowl games came to an upset was the 60 scoreless deadlock between Louisiana State and Arkansas in the Cotton Bowl at Dallas, Tex., on a rain-drenched field.

AP EXPECTED, power-lashed Georgia defeated North Carolina 20-0 in the Sugar Bowl at New Orleans, La. downed Tennessee 20-0 in the Orange Bowl at Miami, Fla. Georgia Tech smothered St. Mary's of California 41-0 in the Oil Bowl at Houston, Tex. Oklahoma routed North Carolina State 34-3 in the "Gator Bowl" at Jacksonville, Fla., and the West All-Star Showed Lett 12-0 in the Shrine game at San Francisco, Calif. The latter puntless also ran to tie for.

In inaugurating the big nine-team conference, five-year game, the underdog Illinois walked off with the third highest scoring 19-0 in the third edition of the tournament of 1958. Illinois' victory was the highest in 1952, over Wisconsin.

WITH 7,000 SUGAR BOWL fans on hand to catch a glimpse of the national scoring, Georgia's Charley Trippi and North Carolina's freshman Charlie Justice, the underdog, built games from behind to overtake the Tar Heels scoring all their points in the second half.

The blow, however, was fatal. Trippi gained a net of 24 yards in 14 runs and Justice threw for 100 yards and a touchdown to blank the Vols 8-0 before 20,000 Orange Bowl spectators.

OKLAHOMA, which had led Eddie Davis and Bill Wallace, overcame North Carolina 24-12 in the second annual Sugar Bowl before 17,000 fans. Davis' touchdown drive of 64 yards, the longest in the bowl's history, was the key to the victory.

Earl Robertson's Canadians out-skated the junior Capitals to register an 8-2 City Hockey League victory before a large holiday crowd at the Arena Wednesday night in an exciting game that saw both clubs travelling at top speed.

The Jimmy Graham-coached Caps held the much stronger Canadians to one goal while scoring one themselves in the first period but the winners forced 5-2 in the second frame and added three more in the last act.

HARRY GROVES, fast skating winger, sparked the club most of the way by playing brilliant hockey both effectively and offensively and netted twice. Don Slater, left of action early in the second, scored his first goal of the year and also twice while the other four counted for the sticks of Norm Kirk, Bob Gray, Doug Goodacre and Doug Anderson. John Sufka also entered the scoring when he passed the puck to Groves for the first goal.

Bob Jackson opened the scoring and gave the Caps an early 1-0 lead in the first period when he took a goal-mouth pass from Harry Danks, who had received the puck from Slater. Slater was only a matter of minutes before Norm Kirk, who knocked down a Cap attempt to start the game in a Canadian power play, passed and hit. Slater was a nice change and beat, Dennis McManus clearly.

THE OPENING SCORING ended at 1-1 and then early in the second Groves scored one of the best goals of the night, solo effort that completely baffled the Cap. Vancouver, in put Canadian goal.

Groves' tally came with Harvey Deane serving an interference penalty. Groves picked up the puck at his own end and carried the puck on a five-minute run to the net, where he was checked by the defense and went right in on Norman Kirk.

Less than a minute later Kirk, banged in a pass from Gray to make it 3-1 and ended the game as well on the way to victory.

GOODACRE and Groves' combined for the Canadians before the period closed with Manson scoring for the Caps. Anderson's Groves drove home the third-period counter.

The large turnout was given some added excitement in the second when Canadian coach Earl Robertson, who had been in the players' box by referee Cam Smith and also in the crowd, was seen to run high and two fights broke out. Jack Davies and Doug Anderson, who had been in the crowd, were seen to fight with Davies receiving a head injury.

First Arrival Soon After Midnight

Seven New Year Babies Born Here

Just three minutes after the New Year while horns were still blowing, heads being bowed and the strains of "Auld Lang Syne" still sounding from the mouths of city celebrants, David Peter Dunn arrived in the world, and thus captured the honor of being Edmonton's first 1947 baby. As such, he is the winner of a large array of gifts donated by city merchants.

THE BLUE-EYED baby is the first child of Mr. and Mrs. Samuel Dunn, of the Brudenell district. He arrived at the Royal Alexandra hospital at 12:08 a.m., a healthy baby, weighing 8 pounds, 14 ounces.

The second baby of the New Year, was a son born to Mr. and Mrs. Andrew Hoenberg, 1030 8th Ave. Master Hoenberg arrived at the Miterioria hospital some seven hours later, at 7:45 a.m.

In all, seven New Year's babies were brought into the world in Edmonton this year. This is the last number recorded in the city for thirty years. Three births were re-

corded at the Miterioria hospital, three at the Royal Alexandra and one at the University hospital.

AT 12:52 P.M. in the Royal Alexandra hospital, Mrs. Alexander Lobach of Haysville, gave birth to her 12th child, a daughter, Mrs. Paul Lobach. Galtner was the mother of a son at 1:30 p.m. at the Miterioria hospital and at 2:30 p.m. the son of Mrs. Mrs. Carr of Stanger, drew his first breath.

A son was born to Mr. and Mrs. Reginald Coles of 1548 9th street in the Royal Alexandra hospital at 9:20 p.m. and Mrs. Claude Eccles of Spruce Grove, gave birth to a daughter at the Miterioria hospital at 6:05 p.m.

ALL OF THE NEW Year babies will receive gifts of hand painted photographs and to little David Dunn, as winner of the 1947 race, will go gifts of baby wings, carriage covers, a "Doo-Dee" seal, cash prizes and an automatic baby stroller. Mrs. Dunn, a member of the first-born, will receive gifts including roses, a gold filled locket and a seven-ounce double boiler.

\$203,347 Paid

To War Veterans

During the month of December, \$203,347.44 was paid out to veterans in the Edmonton district, in reimbursement of their war service. This brings the total amount of credit disbursements in this district to \$1,281,981, with an amount of \$9,306,537.32 still on hand.

AS HAS BEEN the case during past months, the greatest amount of the December disbursements was paid out in furniture with \$106,176.71 having been spent on this category. Eighty-four veterans made use of their credits during the month, for the purchase of a home.

The sum of \$28,842 was paid out by the department of veterans' affairs to assist in these purchases. Five veterans spent a total of \$9,295 towards the purchase of a business. Sixty-four tools and equipment to the total amount of \$65,103.48.

Pensioners to Meet

The Alberta Pensioners' Society will hold a public meeting on Monday, Jan. 6 at 8 o'clock in the 100th Hall, 103 street. The feature of the meeting will be community singing and general entertainment.

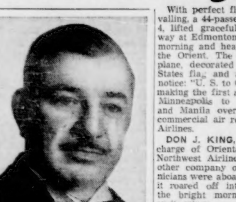

ORIENT-BOUND AIRLINER: With Manila the eventual destination after halts in Alaska, the Aleutians, Tokyo and Shanghai, first survey flight over the Northwest passage through Edmonton, left here at 9:30 a.m. Thursday. Standing on the loading ramp of the Douglas DC-4 just before departure, from left to right are: G. H. N. Monkman, Alberta deputy minister of public works;

A. E. Floan, vice-president, general consul and secretary for Northwest Airlines; Don J. King, vice-president for the company in charge of the Northwest Airlines; Chief Pilot Carl Leuth, Minneapolis; James Bell, city airport manager, and Lloyd Milner, special official, Minneapolis. Only company officials are making the flight.

Big Plane Leaves Here On First Flight to Orient

With perfect flying weather prevailing, a 44-passenger Douglas DC-4, lifted gracefully from the ramp at Edmonton airport Thursday morning and headed northwest for the Orient. The big four-motored plane, decorated with the United States flag, and a brightly-painted "N. S. to Orient" sign, was making the first survey flight from Minneapolis to Tokyo, Shanghai and Manila over a newly-charted commercial air route of Northwest Airlines.

DON J. KING, vice-president in charge of Oriental charges for Northwest Airlines and a score of other company officials and technicians were aboard the big craft as it moved off into the northwest, the bright morning sun glinting on its wings.

James Bell, city airport manager, and G. H. N. Monkman, deputy minister of public works for the provincial government, and several other officials were at the airport to witness the aerial adventure. Godspeed on their venture that will eventually link North America and Asia in regular passenger and express air service via this city as well as on its wings.

AT THE CONTROLS of the big plane was Chief Pilot Carl Leuth, former commanding officer of the Asiatic Wing of the U. S. Naval Air Transport Service during the last war. Second pilot was Lloyd Milner, a decorated veteran of air operations in Alaska and the Aleutians during the war. Both are from Minneapolis.

A. E. Floan, vice-president, general consul and secretary for Northwest Airlines, was also making the trip.

Mr. King said the plane would stay overnight at Anchorage and fly on to Shanghai in the Aleutian Islands Friday. The party planned to be in Tokyo on January 3, a day before the New Year's Eve party in Tokyo on January 3.

"THERE ARE some clouds up Alaska way but will be cleared above them at about 12,000 feet," Mr. King said.

The flight left Minneapolis at 3 p.m. Wednesday, arriving here at about 9 p.m. Thursday.

Edmonton is to be a major refueling and customs check point when regular service to the Orient is inaugurated next year. The visiting officials were guests at a special dinner in the 100th Hall.

His Honor Lt.-Gov. J. C. Bowen, welcomed the pioneering party in the name of the province.

HIS HONOR RECALLED the fine ability of the Canadians and Americans in two great wars and the aerial route to the Orient is still another manifestation of this solidarity and co-operation.

Mayor Ainslie stressed the importance to Edmonton of the new commercial route through here to the Orient and Mr. King replied on behalf of Northwest Airlines. He thanked every Edmonton and provincial official for their kindly assistance in the setting up of the route.

W. F. W. HANCOCK, special representative for the vice-president of Northwest Airlines, Eastern Region, also spoke briefly.

Children's Safety Patrol Is Formed

Formation of a safety patrol group among school children at Ponoka took place Monday at Ponoka when Dr. G. J. Hope, president of the Alberta Motor Association and Sgt. James Muir, RCMP, met with school children at Ponoka, and appointed 10 boys to function as the safety unit.

BECAUSE of Ponoka's position on the Calgary-Edmonton highway, the formation of the group was felt to be a good one. The children will act as they do in Edmonton—to take other school children safely across the road at busy traffic times.

They will have the authority to stop traffic for as many minutes as necessary to see that the children get safely across the road.

Monday evening the 10 boys chosen were entertained at dinner and during the day they were made familiar with their duties.

Board Appointed For Taxi Company

Appointment of a three-member board of arbitration to act between the Junior Taxi company and its employees in the matter of collective bargaining, was announced Thursday.

Chairman of the board is Allan D. Harris, KC, with John Wallin and W. T. C. Matthews, all of Edmonton, appointed to complete the board.

THE APPOINTMENT was made following an appeal by the company for the decision of the board of industrial relations in respect to the appointment of a collective bargaining agent to represent its employees.

The appeal was made under terms of the industrial conciliation and arbitration act.

No All-Star Puck Club for Canada

TORONTO, Jan. 2.—(CP)—Chances of an all-star hockey team representing Canada at the Olympic Games as suggested by George Stanley of Montreal, appear slim unless selection of the Dominion standard bearer is removed from the hands of the Canadian Amateur Hockey Association.

When the CAHA met here in semi-annual conference last week, the question of Canada's representative at the 1948 Olympics received considerable airing and the Allan Cup winners will be first choice unless the team itself decides against the venture.

IN EVENT of rejection by the Dominion champions, the CAHA officers would decide on a substitute team, not leaving the matter to a poll of sports writers as suggested by Mr. Slater.

The big question mark as to Canada's Olympic hockey representative, however, is if the Canadian Olympic committee will accept the CAHA nominee on the association's recommendation of an amateur as one who does not make his livelihood a professional.

When the Olympic heads are agreeable, the CAHA has made it clear they can look elsewhere for a team.

Beat Scotland

PAISLEY, Jan. 2.—(CP)—France won yesterday's International Rugby match against Scotland 8-3. The hosts strengthened their defence in the second half to hold the French scoreless after the first half.

James started jumping over the counter and beating themselves. It was reported that some young women had two diamond rings torn from their dress in the noise and excitement. Several others lost articles from the cloak room.

Police laid the blame for the trouble on the slow moving checking system and to the customers who became tedious instead of trying to maintain some sort of order and to help things along.

NYLONS AT A PRICE DUBLIN (CP)—Nearly two weeks after they appeared in shop windows, nylon stockings could be bought yesterday for 20s. 6d.

Before the Magistrate

Armed with a small pistol cardboard box and a "rear jerking" letter which told of a tale of how a number of children in a city shelter were going to be without Christmas presents, a 14-year-old boy of Edmonton, must have been a picture of righteousness as he went from door to door collecting money under false pretences. Magistrate A. I. Miller, KC, said it was a most contemptible trick and gave the accused three months in Fort Saskatchewan at hard labor. When he was apprehended on Dec. 18 the accused had collected \$242. Remanded to the city jail, the boy was held for a longer sentence. Lapsen is 19.

THE SAME MAN, was no picture of righteousness as he stood in the dock in city police court Tuesday to receive a sentence after pleading guilty to a charge of collecting money under false pretences. Magistrate A. I. Miller, KC, said it was a most contemptible trick and gave the accused three months in Fort Saskatchewan at hard labor. When he was apprehended on Dec. 18 the accused had collected \$242. Remanded to the city jail, the boy was held for a longer sentence. Lapsen is 19.

HARRY LAPSEN pleaded guilty to a charge of collecting money under false pretences. He was sentenced to six months imprisonment with hard labor. Magistrate Miller told the accused that if he was this older he would have received a longer sentence. Lapsen is 19.

Evidence showed that he forged the name of George Shapka to a cheque for \$25. It was made payable to Mrs. Severn.

Disease Declines During Last Week

A total of 64 cases of communicable diseases was reported to the city health department for the week ended Dec. 28, compared with 81 for the week previous, according to a report filed with the city commissioners by Dr. G. M. Little, medical officer for health.

There were 31 cases of chickenpox, compared with 39 the previous week; 23 cases of measles against 27, nine of mumps com-

Dance Hall Patrons Cause Disturbance

Everything went along well at the New Year's Eve until it came time to leave during the early morning of New Year's Day. Then it was found that the check room was too small to properly accommodate the hundreds of patrons who stood lined up waiting for coats and hats.

THE CUSTOMERS, some of whom were a little impatient and some a little tipsy, soon the celebration started pushing one another around with the result that several minor fights broke out and one man, at least, received a injury which knocked him unconscious.

Special policemen on duty found it impossible to keep things under control and so city police were called. Three constables, W. E. D. O'Leary, O'Leary arrived and after much trouble succeeded in restoring order.

The management and check girls had a formidable job on their hands when word of the more trouble came in and were kept busy for almost an hour to get things

SOVIET BIRTHS DOUBLE
MOSCOW, (AP)—The minister of public health, G. Mironov, said in a newspaper article Wednesday that the present day Russian birth rate already was double the rate during war years and was steadily rising. He added that the country's mortality rate declined sharply in 1946. (This dispatch gave no figures).

Wife Tells Story Of Drinking Man

Dear Miss Dix: I have just read the letter from the 17-year-old girl who has fallen out of love with the dissipated boy in whom she is engaged because he threatens to go back to being a drunkard if she does, and I want to say a word of warning to her.

I was fool enough to fall into that trap and marry a drunkard to keep him sober, and for 30 years I did that, and he never changed a speck. He can go to the lodge and it is all right, but if I accept an invitation to spend an evening with another woman, he comes home drunk. I don't dare even belong to any social or religious club. I even go to a lecture he goes on a binge.

I HAVE a daughter, living three hours drive from me, and I would just love to spend a day or two with her now and then, but I dare not go. I did once and he didn't come home for two days after having been on a prolonged drunk.

I hope my experience will make this girl realize what she will go through if she marries a man to keep him sober. There is no other man who is such a coward and cat as the drinking man who enslaves his wife to his vice.

ONE WHO KNOWS
Answer: I hope that this letter will be a stop sign to many a girl who is thinking of marrying a man who will lead if she marries a man who makes of his weakness a whip of scorpions with which he lashes her into abject slavery. Her days will be filled with anxiety that will eat out her very heart, and she will never know any peace or rest of mind. No man is worth it.

Dear Dorothy Dix: My wife is a regular howler for money. She drives me mad because I can never give her enough to satisfy her, although I work five days a week, with overtime and on Saturdays and holidays. I served four years in the Army and I am not well. I get tired so easily, I don't drink, I don't spend any money on myself. She is a poor housekeeper and I have to eat out of cans half the time. Sometimes I think she is trying to kill me so she can get my insurance money.

What can I do?

Answer: There is nothing you can do except to leave her and let her see how she likes supporting herself. That kind of a woman has no heart nor conscience, and she will never change. But you don't have to endure her cruel tyranny unless you are just as tired and worn-out and discouraged that you haven't the energy to resist her demands.

Dear Miss Dix: My husband and I are joint owners of a business that he started when we were first married. We have struggled and shared and have made quite a success of it. Now he believes he has fallen in love with a young married woman, who has left her husband so she can get a divorce to marry my husband.

I LOVE MY husband dearly and am nearly breaking my heart, but I have told him that I will not leave him. He knows I am serious. However, this is where the queer complication comes in: He wants me to continue working in the business as I have it all at my disposal, but he wants me to marry a mortal blow if I leave. Also, his sponsor, from whom most of the business comes, has told him that if he does this to me that they are through with me. What should I do? Should I continue in the business, half of which comes, belongs to me, or should I get out? Do you think if I marry this woman, his wife will like the idea of me in the office and joint owner of the business?

HEARTBROKEN WIFE
Answer: I think that what it comes to a choice between the girl friend and the business in which she is interested.

Bridge

When I stepped off the plane at San Diego, California, I had completed more than 400 miles of my way trip around the world. I visited the units of the American Contract Bridge League to inform them of the League's fight against cancer.

At the California-Western Tournament conducted by the Western Division of the League at the Del Coronado Hotel, Coronado, I had the pleasure of playing with Clarence Strouse Jr., of Los Angeles, and was the event. Strouse is a very sound, careful player.

We were rather surprised to find a very good group for making six. When West was dealt the hand, because they did not give themselves the correct number of percentage plays. Declarer had the contract if either the spade or club line were worked, but the question was which finesse to take first.

At the same time, we would produce the greater number of tricks; many of the players took that one first. When West was dealt the queen and shifted to a club, they decided they would not take that line, but would try a three-trick break in hearts — and of course they went down.

Strouse won the first diamond in dummy and led the jack of clubs. This finesse failed and East
